

## Pixelworks Announces Board Authorization of \$5 Million Stock Repurchase Program

03/31/26

PORTLAND, Ore., March 31, 2026 /PRNewswire/ -- Pixelworks, Inc. (NASDAQ: PXLW) ("Pixelworks" or the "Company"), a provider of innovative cinematic and enhanced visualization solutions, today announced the Company's first-ever stock repurchase program in the amount of \$5 million. The repurchase program was approved by the Board of Directors on March 30, 2026, and provides an initial two-year window beginning on May 15, 2026, for the Company to repurchase shares of Pixelworks' common stock.

Chairman and CEO of Pixelworks, Todd DeBonis, stated, "This share repurchase program reflects the Board's confidence in our go-forward strategy as a global technology licensing company and shared belief that Pixelworks' shares are meaningfully undervalued. Given our projected cash position of approximately \$58 million as of March 31, 2026, we believe the Company has ample flexibility to support both our future working capital needs and prudent investments to scale a high-margin licensing business."

Repurchases of shares under the program may be made in the open market, including in block trades or in privately negotiated transactions, subject to requirements of the applicable federal securities laws. The timing and quantity of repurchased shares will be at the discretion of Pixelworks management. Additionally, the Company may enter into one or more Rule 10b5-1 trading plans in connection with the repurchase program.
