

## **Genesis Microchip and Pixelworks Receive Request for Additional Information from the Federal Trade Commission in Connection with Review of Proposed Merger**

June 24, 2003

SAN JOSE, Calif. & TUALATIN, Ore., Jun 24, 2003 (BUSINESS WIRE) -- Genesis Microchip Inc. (Nasdaq:GNSS) and Pixelworks (Nasdaq:PXLW) today announced that the Federal Trade Commission (FTC) has requested additional information and documentary material in connection with its review of the proposed merger between Genesis Microchip and Pixelworks.

The FTC request will result in an extension of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. Genesis Microchip and Pixelworks plan to respond as promptly as possible to the FTC request.

The proposed merger, which remains subject to regulatory approvals, approval by Genesis Microchip and Pixelworks shareholders, and other closing conditions, is currently expected to be completed in the second half of calendar 2003.

### **Additional Information and Where to Find It**

In connection with the proposed merger, Pixelworks has filed a registration statement on Form S-4 with the Securities and Exchange Commission (SEC) containing a joint proxy statement/prospectus. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE JOINT PROXY STATEMENT/PROSPECTUS BECAUSE IT CONTAINS IMPORTANT INFORMATION ABOUT THE TRANSACTION DESCRIBED HEREIN. Investors and security holders may obtain a free copy of the joint proxy statement/prospectus and other documents filed by Pixelworks and Genesis Microchip with the SEC at the SEC's Web site at [www.sec.gov](http://www.sec.gov) or by contacting Pixelworks at 503-454-1750 and through Pixelworks' Web site at [www.pixelworks.com](http://www.pixelworks.com), or by contacting Genesis Microchip at 408-262-6599 and through Genesis Microchip's Web site at [www.genesis-microchip.com](http://www.genesis-microchip.com).

Pixelworks and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the shareholders of Pixelworks and Genesis Microchip in connection with the proposed merger. Information regarding the special interests of these directors and executive officers in the proposed merger is included in the joint proxy statement/prospectus described above. Additional information regarding these directors and executive officers is also included in Pixelworks' proxy statement for its 2003 Annual Meeting of Shareholders, which was filed with the SEC on or about April 18, 2003. This document is available free of charge by contacting the SEC or Pixelworks as indicated above.

Genesis Microchip and its directors and executive officers also may be deemed to be participants in the solicitation of proxies from the shareholders of Pixelworks and Genesis Microchip in connection with the proposed merger. Information regarding the special interests of these directors and executive officers in the proposed merger is included in the joint proxy statement/prospectus described above. Additional information regarding these directors and executive officers is also included in Genesis Microchip's proxy statement for its 2002 Annual Meeting of Stockholders, which was filed with the SEC on or about August 15, 2002. This document is available free of charge by contacting the SEC or Genesis Microchip as indicated above.

### **About Genesis Microchip Inc.**

For more information, please visit the company's Web site at [www.pixelworks.com](http://www.pixelworks.com).

### **Safe Harbor Statement**

This press release contains forward-looking statements within the meaning of the federal securities laws, including statements about regulatory and shareholder approvals and the expected timing of the closing of the merger. The forward-looking statements are subject to risks and uncertainties that could cause actual events to differ materially from those expected as a result of a number of factors, including the possibility that the transaction may not close, the possibility that the companies may not obtain regulatory approval on terms acceptable to the companies or may be required to modify aspects of the transaction to obtain regulatory approval, the possibility that the shareholders of Pixelworks and Genesis Microchip do not approve the transaction, the possibility that other closing conditions are not met, and changes in general economic conditions. Other factors that may cause actual results to differ materially are set forth in the registration statement on Form S-4 described above and in the reports that each company files with the Securities and Exchange Commission, including but not limited to Pixelworks' Annual Report on Form 10-K, as amended, for the fiscal year ended December 31, 2002, and Genesis Microchip's Annual Report on Form 10-K for the fiscal year ended March 31, 2003.
