

Pixelworks Announces Closing of Common Stock

August 21, 2013

SAN JOSE, Calif.--(BUSINESS WIRE)--Aug. 21, 2013-- Pixelworks, Inc. (NASDAQ:PXLW), a pioneer in innovative video and display processing technology, today announced the closing of its public offering of 2,630,000 shares of common stock, plus an additional 394,500 shares of common stock pursuant to the exercise in full of an overallotment option granted to the underwriter, at a price of \$3.50 per share. Roth Capital Partners acted as the sole manager of the offering.

Pixelworks intends to use the net proceeds from the offering for general corporate purposes, which may include, among other things, increasing its working capital, financing of ongoing operating expenses and overhead, and funding of capital expenditures, such as the continued development of solutions for the multimedia projector, high-end television, and mobile device markets. Pending the application of the net proceeds, Pixelworks may invest the proceeds in marketable securities and short-term investments.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, the common stock in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

A copy of the prospectus supplement and prospectus relating to these securities may be obtained, when available, by contacting Roth Capital Partners, Attention: Equity Capital Markets, 888 San Clemente Drive, Newport Beach, CA 92660, by telephone at (800) 678-9147, or by accessing the SEC's website, www.sec.gov.
